NATIONAL AWARDS FOR EXCELLENCE IN FUNDRAISING

About the Award

The FIA Awards for Excellence in Fundraising are a key component of Fundraising Institute Australia's commitment to champion best practice in fundraising.

The Awards recognise the outstanding initiatives and innovative efforts of fundraisers, volunteers and organisations. They celebrate the hard work and successes across the year, provide an opportunity for acknowledgement by your peers, and promote the role of fundraising in improving our society.

Fundraising Champion of the Year

Established in 2021, this award acknowledges the importance and highly valued contribution of 'non-traditional' fundraising advocates and supporters within your organisation. Designed to recognise that effective fundraising doesn't happen in isolation, the award honours a member of your organisation who does not hold a specific fundraising role, but whose efforts contribute to, facilitate, grow and support your fundraising success.

In searching for the *fundraising champion of the year*, look beyond your fundraising teams. These champions will be found on your board, at the leadership table, in your finance team or amongst those responsible for program delivery. They will provide critical support to fundraisers, but they won't recognise themselves as such.

Award Requirements

- Organisations submitting an entry must be a current (2022-2023) Organisational Member of FIA.
- The 'champion' must have made a significant contribution to the fundraising success of the organisation within the past 18 months.

How to Enter:

Complete the online submission form [here](#) and upload supporting documentation as required.

Please see the next page for a list of information you will need to prepare and questions you will need to answer in order to complete the nomination form. All questions listed require answers.

There is no charge for entries in 2023.

Applications close on Friday 9 September 2022.
